Geschäftsführer  
Dr. Andreas Stratmann

We **DBK David + Baader GmbH** as a supplier to **Omni Ray AG** certify by signing this declaration that we fulfill the European legislation RoHS (directives 2011/65/EU and 2015/863/EU on the Restriction of Use of certain Hazardous Substances in Electrical and Electronic Equipment and its subsequent amendments). This declaration covers all articles listed below delivered to **Omni Ray AG**.

The use of lead-compounds in ceramic of electronic components like used in PTC - heating elements is granted by exemption 7(c) - I in annex III of RoHS directive 2011/65/EU.

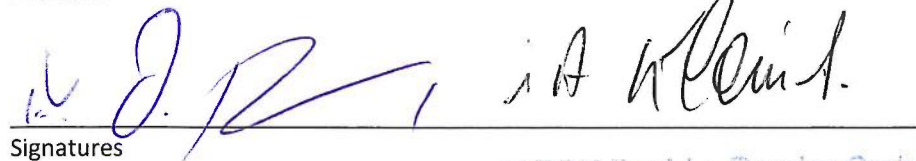

Associated product-specific EU - Declarations of Conformity will be created in individual cases on request. If products delivered to you are elementary parts or components, there is no CE - labeling because safety (e.g. protection against contact, connectivity, distances, ...) will only be defined by the installation in the final product.

We as a supplier shall, when conditions are changed that concern the content of this declaration, inform **Omni Ray AG** without delay.
