

DRC CONFLICT FREE STATUS CONFIRMATION & STATEMENT

FlexDSL Telecommunications AG certifies that all material and products supplied after January 1st, 2013 are “DRC conflict free”.

Compliance Statement

FlexDSL Telecommunications AG strives to deliver reliable, high quality telecommunication equipment to its customers. This involves appropriate designs based on latest technologies that are in conformance to environmental and legal requirements.

All our suppliers and manufacturing partners have to sign since starting of the year 2013 a contract confirming to deliver and do any production only with DRC conflict free material. It is for all only allowed to purchase material from the official manufacturers or corresponding distributors. FlexDSL Telecommunications AG confirms according the information of our manufacturing partners and suppliers that our products are DRC conflict free.

Any material supplied on or after January 1st, 2013 that contains or utilizes any Conflict Minerals (tantalum, tin, tungsten or gold) either (i) did not originate from the Democratic Republic of Congo and the “adjoining countries” (Angola, Burundi, Central African Republic, the Republic of the Congo, Rwanda, South Sudan, Tanzania, Uganda and Zambia), or (ii) is from recycled or scrap sources.
