Subject: RoHS declaration of conformity

Dear Business Partner,

We are writing with regards to the RoHS2 guidelines of the European Parliament and Council 2011/65/EU, including all amendments that limit the use of hazardous substances in electric and electronic equipment.

Mitsubishi Electric is fully compliant with the RoHS2 directive of the European Union.

The manufacture of environmentally friendly and high-quality products is a core objective for our company. The products sold by Mitsubishi Electric are all within the scope of this policy.

If you have any questions please do not hesitate to contact us.

Yours sincerely,

Tetiana Klopova
