

REACH / ROHS Declaration of conformity

REACH Declaration :

REACH is a European Community Regulation on chemicals and their safe use (EU Regulation No. 1907/2006).

REACH provides that substances of very high concern (SVHC) are subject to a specific authorization. Article 33 of REACH requires manufacturers and importers to inform users of the presence of substances of concern (SVHC) when their concentration exceeds 0.1% w / w (weight / weight).

Based on our supplier declaration and our continuous review we can inform you, that the SIREM products do not contain any substances on the SVHC candidate list above 0.1% concentration and are fully compliant with the related requirement of European Union Regulation (EC) 1907/2006 and the supplementary directives.

To further ensure compliance, Sirem continually reviews information from its suppliers about delivered material and products concerning substances which are contained on the European Chemical Agency (ECHA) candidate list of substances of very high concern (SVHC)

RoHS Declaration :

Sirem confirms that our products meet the requirements of the current DIRECTIVE 2011/65/EU with EU Directive 2015/863 & 2017/2102, a.k.a Restriction of Hazardous substances (ROHS) directive.

Sirem's products contain less than the following amount of the ten RoHS banned substances :

- Lead (0.1%)
- Mercury (0.1%)
- Cadmium (0.01%)
- Hexavalent chromium (0.1%)
- Polybrominated biphenyls (PBB) (0.1%)
- Polybrominated diphenyl ethers (PBDE) (0.1%)
- Bis(2-ethylhexyl) phthalate (DEHP) (0.1%)
- Butyl benzyl phthalate (BBP) (0.1%)
- Dibutyl phthalate (DBP) (0.1%)
- Diisobutyl phthalate (DIBP) (0.1%)

Both declarations apply to all products delivered by SIREM after such date unless it is not otherwise specified
